

Manfred Schotten Antiques

#8512 :

An Automaton Caddie Golf bag, made by Geo.G.Bussey & Co. Ltd. This caddy bag is in excellent original condition with box wood handle and material bag to front for your golf balls. The Caddie bag was designed so that the legs that support the bag open out automatically when the lower end is placed on the ground, and fold up close when lifted up.

late 1890s.

Circa: 1890
