Description

Antique Bronzed Spelter Football Figure.

A very nice French Art Deco style spelter figure of a footballer. The footballer is kicking a football with his right foot and has a verdigris finish to look like weathered bronze. The figure is mounted on a marble base. There are a couple of images with the figure with two other sporting statues, the price is just for the one spelter football figure.

Spelter is a white metal alloy cast in the lost wax process.
