Height: 103 cm (40.6")

Width: 175.5 cm (69.1")

Depth: 31.5 cm (12.4")

Description

Freestanding Curio Cabinet.

A wonderful and useful collectors, curio cabinet with three glass doors. The central door is fixed whilst the other two slid open to allow access to the two glass shelves and the wooden bottom. This was possibly an old shop display cabinet originally but works very well now as a collectors cabinet. As you can see from the images it displays items very well and the glass front, sides and top maximizes visibility.
