Description

Antique Long Nose Golf Club.

A superb beechwood long nosed scared-head golf club stamped 'C Hunter'. The polished head with lead weight to the rear and traditional horn slip along the leading edge of the sole which has a full brass sole plate. The hickory shaft and sheepskin grip are original (some of the grip is missing). This is a very nice example of a long nose golf club from the 1880's in excellent condition made by the famous Prestwick professional and club maker 'Charlie Hunter'.

Also professional at Royal Blackheath Golf Club for a brief period.

Head size:- 4 ¼" long, 1 ¼" high, 1 ¾" deep.

The early clubs are made with long slender shallow-faced heads with a hickory shaft glued to the head by means of a splice or scare joint. This joint is then further strengthened by whipping with a pitched thread. All beautifully hand made by craftsmen of the time.
