REF: 26728

Height: 20.5 cm (8.1")

Description

Vintage Leather Netball Ball.
A traditional 18-panel dark brown leather netball ball in very good original condition and colour. The ball has a lace-up slit to the top to enable bladder inflation or replacement. The ball is very similar to a football except that the panels have strips of leather in-between to improve the grip of the ball.

Stand sold separately at £ 36.
