Description

Stevens & Sons Life Pool Scoreboard.

A mahogany Life Pool score board in original condition with nice trade name to the top 'Stevens & Sons, London'. Stencilled on the back 'R. Stevens & Sons, Makers, 22 Villiers Street, Charing Cross, London', also stamped into the wood 'R. Beeton'.

The Life pool scoreboard is for a maximum of 6 players, who form the pool. Each player has his own coloured ball and loses a life each time the ball is potted by an opponent. When he loses all of his lives he is out of the game.

The score board consists of 6 slides with coloured discs (representing the players cue ball) and each slide reveals 3 mother of pearl discs, one for each life. There are also six "stars" hiding behind the colored discs that pull out and are used as extra lives.

A good useful collectors piece.
