## Description

Revolving Snooker, Billiard & Pool Cue Stand.

A fine-quality mahogany snooker, billiard, or pool cue rack, raised on three bun feet and revolving around a central turned pillar. The stand is designed to hold up to twenty-one cues and rests: eighteen arranged around the outside and secured with brass spring clips, with a further three housed through separate holes in the centre. The top is decorated with four turned ball-shaped finials—one larger central finial and three smaller surrounding finials. The cue rack can be dismantled, as the turnings and finials are all fitted with wooden threads.

The stand is in full working condition. Cues shown are for display purposes only and are not included with the stand.
