Description

Vintage Pair of Brown Leather Ladies Lace Up Riding Boots.

A pair of mid calf tan leather front lace up women's riding boots with original beech wood trees. The leather on these boots is in very good condition, the trees have had wood worm (now fully treated) so there are a few small holes in the leather. The boots have hardly been worn, the canvas boot pulls still have the paper wrappers on them. On the inside of the boots written in ink 02566 - 132 on one and 01566 - 1323 on the other. A well made pair of brown riding boots.

I believe they are UK Ladies size 5, US 7, EU 38.
