Description

Antique Equestrian Plated Letter Rack.
Edwardian double sided letter holder. The plated rack stands on four ball feet, two front panels with hand finished coloured equestrian scenes behind glass, frames supported by small ended pillars, divider doubles as a handle. The two scenes depicted are different, one has two gentlemen on horseback just leaving an inn or tavern. The second scene shows a tandem gig (carriage) arriving at an inn or tavern. A great little desk piece for the equestrian enthusiast.
