Description

Roland Knight Fish Oil Painting, Chub, Roach & Eel.

A fine original Victorian oil on canvas fish painting by A. Roland Knight (1879-1921), renowned angling artist. The study is of three caught fish on the riverbank with a float, fishing rod and a wicker creel with an eel poking out the top. The fish vibrantly represented with intricate detail and life like quality, an outstanding oil painting, signed A. Roland Knight to the lower right corner. There is writing to the reverse of the painting. The oil has been professionally cleaned and are in the original frames that have been restored.

There are four other fish oils by Knight that are available.
