Description

Three Norman Wilkinson Fishing Prints.

A nicely framed set of three angling pictures by the artist Norman Wilkinson, a celebrated British painter and printmaker. The three pieces of fishing art titled 'The Bewitched Pool, River Orchy', 'The Evening Rise' and 'Inchlaggan'. A great set of framed angling pictures, they look like drypoint etchings but are most probably from some form of publication.

All the frames are 38 cm wide, two are 35 cm deep and the third one is 33 cm deep.
