Antique Victorian Library Armchair.

A late 19th, early 20th century leather club arm chair, with scroll-over back and arms upholstered with the original red leather. The easy chair raised on front bun feet and square rear legs, all fitted with carpet glides. The easy chair is a comfortable chair in a good clean condition. The beauty of this chair is in its worn leather, it is very attractive where the red has been worn away with age.

A wonderful chair with great patina and very unusual design.
