REF: 30568

Height: 5.5 cm (2.2")

Diameter: 8 cm (3.1")

Description

Vintage Silver Trump Card Indicator.
This is an excellent example of a trump card indicator for the game of Bridge. It has a turned wooden oak base with a silver top with a small knob to turn to reveal the trumps. Hallmarked 'Chester 1907' with fine foliage engraving, it has a window on the top surface to show the trump suit of either Hearts, Clubs, Diamonds or Spades, there is also 'no Trumps'.

Trump markers (also called suit indicators) are used in bridge games to mark the game's trump suit.
