

Antique Bramble Golf Ball

Sold

Description

Rubber Core Bramble Golf Ball.

A bramble patterned rubber core golf ball. Marked on one pole is 'Special Rubber Cored', the ball is of classic bramble pattern of raised dimples. It looks like the ball may have got exposed to heat as $\frac{1}{2}$ of the ball the brambles and name are very flat.

The ball is approximately 1 $\frac{5}{8}$ inch in diameter (4.2 cm).
