## Description

Sixteen Antique Golf Club Walking Sticks, Sunday Clubs.

A desirable collection of walking canes with the handles fashioned in the shape of a golf club heads. Five of the walking stick heads are made of metal, the rest are made of wood and all are with metal ferrule ends. Five of the wooden heads are stamped with golf professionals details which are D. Anderson, Willie Watt (Epsom), P. McLeod, J. Sherlock (Oxford) & A.H. Scott (Elie, Scotland). Two of the iron heads are also marked, Spence & Gourlay Mashie Niblick (St Andrews) and Reid & Laidlaw.

A great starter for someone wishing to collect Sunday Clubs, walking sticks.

The ban on golfing on the Sabbath, Sunday, had the effect of the club makers producing walking sticks for canny golfers. They fashioned the canes with a golf club head as a handle and they became known as 'Sunday Clubs' or 'Sabbath sticks'. It is said that on the Sabbath a Sunday Club owner, when nobody was looking, could still enjoy a crafty putt or swing.
