Description

Antique Gibson Scared Head Golf Club.

A nice original socket head persimmon wood head driver with hickory shaft and replaced suede leather grip. The club head with traditional horn slip along the leading edge of the sole and lead weight to rear. The head stamped 'Gibson' with the Gibson 'Star' cleek mark, 'Special' all within an oval, 'PERSIMMON' just underneath the oval.

The measurements shown are the length of the whole club, the width of the face and depth of the head.

A great golf club Driver in good usable condition for modern hickory play. Approximate 10° loft & swing weight is lighter than an A.

Gibson's 'OUTLINE STAR' cleek mark was registered in 1906, although it had been used since Gibson began his business in the 1890's and was replaced with the 'DEEP STRUCK STAR' in the 1930's.
