Description

Scared Head Golf Club, Driver, By Willie Park.

An elegant long nose golf club, driver, made by Willie Park of Musselburgh. The stained and polished beech-wood head in good original condition with lead weight to the rear, traditional horn slip along the leading edge of the sole and a splice joint with whipping. It is stamped with the makers stamp 'Wm. Park'. The hickory shaft is original to the club and has a suede leather grip.

Approximate head size:-

a = 9.5cm

b = 2.8cm

c = 4.8cm

The early clubs are made with long slender shallow-faced heads with an ash or hickory shaft glued to the head by means of a splice or scare joint. This joint is then further strengthened by whipping with a pitched thread. All beautifully hand made by craftsmen of the time.
