Description

Vintage Motoring No. 30 Optimus Oil Can.

A round automotive brass oil can made in Sweden. A fantastic piece of vintage motoring ephemera, the perfect gift for the motoring enthusiast. Who would have thought the mundane garage oiler of the Golden Age of automobiles would be a collector's piece. The motorist's oil can engraved to the front and rear 'OIL CAN, No. 30' with the 'OPTIMUS' logo and 'Made In Sweden'. The brass metal with a lovely patina.

The pump oil can dispenser is a great standalone piece or the start of an automobilia can collection.
