Description

Vintage Billiard, Snooker Revolving Cue Rack.

A fine quality oak billiard / snooker cue rack raised on three bun feet and revolving around a central turned pillar. The stand is designed to hold twenty one cues and rests, eighteen around the outside held in place by brassed spring clips and three through separate holes in the middle. The top is decorated with four turned ball shaped finials, one large middle one and three smaller ones. The cue rack does come apart as the turnings and finials all have wooden threads.

The cue stand is in full working condition, cues shown are for decoration only and do not come with the stand.
