Bronze Tennis Player Statue.

Vintage, late 20th century bronze figure male tennis player, mounted on a mahogany base. The tennis player is in mid serve and is highly detailed, especially the head. The gentleman tennis player is wearing a short sleeved shirt and long trousers.

The figure is on a new mahogany base which suggests it has lost it's original bronze base.

We have seen another figure, the same model with it's base, which was marked Made in Austria and had the sculptors name, Bermann.

Please see the last three images.

The size stated is for figure only, the mahogany base measures 1 ½ inches high, 7 ½ inches wide and 4 inches deep.
