Depth: 63 cm (24.8")

Description

Vintage Witch Weather Vane.
A wonderful and very unusual weather vane in the shape of a witch riding on her broomstick. The weathervane with a spooky Halloween theme is in good condition with small amounts of rust where the paint has chipped. The witch will move with the wind, indicating the direction with the directional N, E, S and W letters. The letters are on a twisted flat bar and are intact.
