Depth: 6.5 cm (2.6")

Description

ANTIQUE ICE PICK, STUBAI. ALBERT LUTZAG. TEUFEN

A good 'Stubai' ice axe, the handle is made from ash with a good steel pick (slightly serrated) and with a good wide adze. It comes with a rubber protector for the spike and leather covers for the head. This is a fine quality ice pick in excellent condition with both metal and wood having a good patina. The head is stamped 'ALBERT LUTZ AG TEUFEN' with the diamond 'STUBAI' logo.

Ice axes are multipurpose tools used by mountaineers in both the ascent and descent of routes in frozen conditions.
