Depth: 1.5 cm (0.6")

Description

Oil On Canvas of Three Partridges.

A colourful Edwardian game bird oil painting of three partridges in a field. One is drinking from a puddle, one is standing upright the third is sitting down. In the foreground a large thistle, background rolling countryside and hills. The oil is signed and dated in the bottom right-hand corner by the artist. Although it has a feel of English Naive School about it, it is possibly a continental piece.
