Description

Vintage Snaffles WWI Military Print, A Heilan' Lad.

A good Snaffles WWI military print entitled 'A Heilan' Lad'. The main center colour-piece image is mounted onto the printed remarque board. The Snaffles hand coloured lithograph shows a kilted Scottish officer standing ready in the trenches with his troops, surrounded by three remarques. The largest remarque is at the bottom and depicts a troop of kilted soldiers marching. A second remarque is of the back of a Scotsman marching away playing the bagpipes, the final one (top left) shows a soldier about to throw a grenade.

This Charles "Snaffles" Johnson Payne (1884 1967) picture is with the Snaffles blindstamp (a bridle bit) in the bottom right-hand corner just above the large remarque and is in original black frame.
