Description

Archery Jewellery, Arrow Kilt Pin.

A nice single archery arrow with original brooch pin. This antique Scottish kilt pin, brooch, label pin is ornately decorated on the arrowhead, fletching and shaft.

Arrow motifs were popular in late 19th and early 20th century jewellery and could symbolise love (Cupid's arrow), protection, or an interest in archery - a fashionable and socially significant sport during the Victorian and Edwardian periods.

A charming and decorative example of archery-themed jewellery.
