Description

Revolving Mahogany Snooker, Billiard or Pool Cue Stand.

A fine quality mahogany billiard / snooker cue rack raised on three bun feet and revolving around a central square pillar. The stand is designed to hold twenty one cues and rests, eighteen around the outside held in place by brassed spring clips and three through separate holes in the middle. The top is decorated with four square shaped finials, one large middle one and three smaller ones. A rather unusual cue stand having square columns instead of the usual turned round ones.

The cue stand is in full working condition, the golf clubs and cues shown are for decoration only and do not come with the stand.
