

Decorative Billiard Cue

Sold

REF: 26316

Height: 142.5 cm (56.1")

Description

Highly Decorative Billiard Cue.

A full size two piece cue with elaborate veneers. The main part of the cue is made of beechwood with the handle being highly decorated with veneered points. The main part of the handle is made of mahogany with an ivory wedge and a metal monogrammed 'PA'. There are two metal collars at the joint engraved 'San Francisco, Cal, March 24, 1885', the joint is a little loose.

A very nice desirable cue, although no longer unscrews (glued together).
