

Ladies Hunting Flask In Case

£260

REF: 30557

Height: 24 cm (9.4")

Diameter: 6 cm (2.4")

Description

Vintage Conical Glass Hunting Saddle Flask.

A beautiful ladies hunting flask, conical shape with plated top and bayonet fitting, contained in leather saddle case. The saddle flask's leather holster has straps so that it can be attached to the saddle. The leather flap closes with an eye over a stud (repaired) to keep the glass flask in place.

Size of conical glass flask:- 19 cm high, 2½ cm diameter at the bottom tapering to 5 cm at the top.
