Description

Fox Hunting, Lionel Edwards, Beaufort Hunt.

A good hunting print with very nice colouring by Lionel Edwards in original oak frame. The print looks applied onto the green mount , but it is really printed on as is the 'Beaufort' signature. Published by E. W. Savory, Ltd., Bristol. The picture depicts the 9th Duke of Beaufort in his chauffeur driven car (with his dog) watching his son, the Marquis of Worcester, on horseback coming from the fields with the hounds and the rest of the hunt behind him. C.1925

Lionel Edwards is best known for his Foxhunting scenes but also produced pictures of horse racing, polo, shooting, golfing and fishing.
