Description

Contemporary Metal Horse Sculpture.

A wonderful animal sculpture, ornament from Sophie Thompson of a horse. This freestanding hand-made metal ornament is fabricated from recycled metal and is suitable for indoor or outdoor display. If stored outside weathering will eventually occur, adding more charm to the sculpture. The horse is constructed with great skill and care and makes an ideal gift for homeowners or keen gardeners.

Sophie mainly works to commission but does exhibit throughout the region. Past commissions range from a life size rearing horse, domestic and exotic creatures and mythical beasts.
