Description

5 ¾" Side Cast Wooden Fishing Reel.

A good quality unusual design, wooden centre pin fishing reel made of walnut. The front plate with two turned wooden handles and a brass screw cap over a central nut. It has a brass foot and back strap with incorporated locking mechanism, there is a brass wing nut to the rear to enable removal of the drum. The foot has the option of being able to swivel 90° and lock for side casting. It is in good clean condition, it generally bears a patina commensurate with its age. No makers mark.

Width size shown is without handles, handles are an extra 3 cm.
