Description

Vintage Pair of Leather Football Boots.
A vintage pair of size 10 tan leather football/rugby boots in very good condition. These beautifully made leather boots are stamped on the sole with "7775, 10, VII" and feature six studs on each boot, formed from layers of cylindrical leather discs secured with three nails.
The soccer boots extend above the ankle for added protection, while the toe areas are reinforced with hardened leather and fitted with toe straps. Wear to the right toe area is more pronounced than the left, suggesting the original owner was right-footed.

A wonderful and authentic piece of sporting history, ideal for collectors, display, or vintage décor.
