

Vintage Leather Football, Junior Size

Sold

REF: 29610

Diameter: 16 cm (6.3")

Description

A Vintage 12 Panel Child's Lace Up Leather Football.

A small vintage junior leather soccer ball with twelve hand sewn leather panels. The ball has a lace-up slit to the top that would have enabled bladder inflation, there is no longer an internal rubber bladder inside, instead the leather football ball has been stuffed.

Display stands sold separately.
