Description

Set of Four Large Ebonised Floor-Standing Candle Stands.

A striking set of four ebonised, floor-standing ecclesiastical candlesticks, each beautifully displaying a gracefully undulating, turned body, richly ebonised to a deep lustrous black, creating a bold refined silhouette.

These floor-standing candle stands are both decorative and functional, perfectly suited for interior statement displays. The large oak turned Gothic-style candle holders feature a 1½ inch brass candle mount, with great proportions and timeless craftsmanship.

All pieces are presented in great condition, showing only minimal signs of age and careful use.
