Description

Antique Pine Storage Box.

A vintage wooden storage chest with the words "Sports and Games" hand-painted on the front in bold, cream, old-style Gothic script.

The rectangular chest shows character and age, with visible wear and scuff marks. It features a two-plank hinged lid with cleated ends and a central metal latch for securing it shut. Sturdy metal handles sit on either side for carrying, and the chest rests on small, shaped block-style feet.

Practical and versatile, it can be used to store sports equipment, games, golf clubs, or related items.

Equally, it could serve as a charming storage piece in a hallway, kitchen, or even a child's bedroom. Could even be used as extra seating with the addition of a cushion seat.
