Description

Adjustable Artist Studio Easel.

A wonderful large proportioned adjustable artist's studio easel raised up on a base terminating in three casters and an adjustable foot. The easel has a mechanical rise and fall mechanism activated by rotating a central crank handle, it also has two swivel out drawers or compartments for paints and brushes etc. The easel is made of pine with oil paint remnants on the wood work giving it an excellent romantic look. It will take a picture or painting with a maximum height of 48 inches and the height of a picture can be easily adjusted, raising the bottom edge of a picture from 21 inches at its lowest point to its full height of 53 inches. When fully raised the total height of the easel is 105 inches. A wonderful piece of artists' equipment, ideal should you wish to do some painting or drawing, or great just to display a great picture from.

The pictures shown on the easel are NOT included in the price.
