Description

'Harrod's Flight' Bramble Golf Ball.
A bramble patterned rubber core golf ball made by 'Harrod's'. The ball is named on both poles 'Harrod's Flight' and is of classic bramble pattern with raised dimples, circa 1930's. The ball surface and finish is in good condition apart from some small cracks and a small chunk of the crust missing.

The ball is approximately 1 3/4 inch in diameter (4.5 cm).
