REF: 26578

Height: 3.9 cm (1.5")

Diameter: 3.9 cm (1.5")

Description

Mesh Pattern Golf Ball.
A 1920's rubber core golf ball in good condition. The mesh pattern or lattice pattern golf ball is marked 'Made In England' on one pole and what looks like 'raised squares' or a 'chequered flag' on the other.

The ball is approximately 1 9/16 inch in diameter (4 cm).
