Description

Novelty Cocktail Shaker.

A Cocktail shaker in the shape of a golf pencil bag, EPWM (electro plated white metal). The top has been lost. On the bottom of the shaker is the mark of the Derby S P Co., International S. Co, No. 439, EPWM and Patent applied for. The Derby Silver Co. was founded in Connecticut in 1873. The International Silver Co. was founded in 1898 in Meriden, Connecticut and was a conglomeration of a number of independent silver manufacturers. Derby joined this group in the early 20th century.
