Description

Vintage Joseph Lucas Oiler No. 38
An automotive oil can made by Joseph Lucas, Birmingham. A fantastic piece of vintage motoring ephemera, the perfect gift for the motoring enthusiast. Who would have thought the mundane garage oiler of the Golden Age of automobiles would be a collector's piece. The motorist's oil can engraved to the front 'JOS' LUCAS Ltd, No 38 Motor Oiler, 'Use Coin To Open' engraved on the brass screw filler lid.

The pump oil can dispenser is a great standalone piece or the start of an automobilia can collection.
