The rudder comes with the corresponding team photograph by Gillman & Soame, Oxford, size 10 ½ inches high by 12 ½ inches wide. This is the former property of C. Graham Kaye who was the cox and is part of a collection of rowing items from St Catharine's College, Oxford in the 1940's / 50's and all relate to a Kaye. We also have a second rudder of Kaye's that would make a great companion to this one as well as some other team photos.
