

Rowing Tankard, Tewesbury Regatta.

Sold

REF: 26427

Height: 14 cm (5.5")

Diameter: 11 cm (4.3")

Description

Tewkesbury Regatta Tankard

An unusual rowing tankard made from ash and plated metal. The sides of the tankard have 2 metal plated bands around the outside, the rim has a handle attached and goes into the beer mug creating the inside.

Inscribed on the bands "Tewkesbury Regatta 1874. Severn plate, Won by, T. Young".

The base has a makers mark, Collins, Worcestershire.
