REF: 27376

Diameter: 21 cm (8.3")

Description

Rare Antique Ball.
An original 19th Century leather ball, most probably a basket ball or net ball because of the early 8-panel design with extra leather in the joints. A great ball in original condition. It could also be a football, soccer ball. The ball has a 5 lace-up slit to the top to enable bladder inflation.
A fine and rare piece.
