Description

Rare Feather Battledore, Badminton Shuttlecock.

A rare late 19th Century shuttlecock made with natural feathers and finished with a blue velvet end. The 18 feathers alternate colours between white and pink. A nice shuttlecock in original condition, some vanes in not so good condition.

This type of shuttlecock is not a common find so if you collect Tennis and Badminton items don't miss this opportunity to own a rare survivor.

Battledore is a game played with a shuttlecock and rackets, a forerunner of badminton.
